Make every effort to be at each class! This is the only way you will learn to play the music for your band placement audition. There will be 10 bands, divided by ability with the 1st band being the Honor Band. Students who are unprepared will not fair very well in the tryout. All students must audition at camp on Sunday. You will play the 3 exercises you have been given, selected scales (to be played by memory), and you will also have to sight-read a section of music.
